REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Upon reconsideration of the claims and the Terminal Disclaimer presented, the art of record does not teach or suggest the exact details crucial to defining the invention at hand, specifically the combined features of a first data storage component, within a first supervisor local data-storage device, that includes a unified sequence number, [defined in the specification on page 14, lines 25-31; page 15, lines 1-9], that stores a first portion of the distributed unified data set, [a unified data set is defined in the specification on page 5, lines 18-24], the first supervisor local data-storage device receiving write requests directed to the first portion of the distributed unified data set from a host computer via a communication medium; a second data storage component, within a second subordinate local data storage device that stores a second portion of the distributed unified data, the second subordinate local data-storage device receiving write requests directed to the second portion of the distributed unified data set from the host computer via a communications medium; and a mirror unified data set that mirrors the distributed unified data set stored on one or more remote data-storage devices.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
